A black and white line drawing of a boba tea cup. The cup is the central focus, with a thick black outline. Inside the cup, the words "BOBA TEA" are written in large, bold, rounded letters. Below that, "4 ME" is written in a similar style. At the bottom of the cup, the text "SHAKES · ICE CREAM · BOBA TEA" is written in a smaller, sans-serif font. The cup is surrounded by various patterns: a grid of diagonal lines in the top left, a zigzag pattern in the bottom right, and a grid of horizontal and vertical lines in the bottom left. There are also several circles of different sizes scattered around the cup, representing bubbles or boba pearls. A straw is inserted into the cup from the top right.
